

MaineHealth
Learning Community

A Partnership of MaineHealth and the Maine Physician Hospital Organization

**** SAVE THE DATES – 2010 PRISMs ****

IT'S BEEN CALLED HEALTH CARE'S HOLY GRAIL
The Simultaneous Pursuit of
Excellent Health, Ideal Care, and Controlled Cost

- ✓ **January 21st – Population Health:** Participants will learn how to advocate positive health behaviors, and how to set / execute strategic initiatives related to population health.
- ✓ **May 20th – Patient Experience:** Participants will review the principles of individual and family centered care and how to improve the overall patient experience.
- ✓ **September 16th – Cost & Efficiency:** Participants will learn techniques on how to reduce, or at least control the cost of care.

The MaineHealth Learning Community (MHLC) would like to invite you to attend our 2010 PRISM series. These topics are based on the Institute for Healthcare Improvement (IHI) Triple Aim concept design which is to optimize the health system by taking into account the three dimensions of Population Health, Patient Experience and Cost and Efficiency.

Registration Information will be sent to you soon – Be on the lookout for our new electronic registration system!

Be sure to periodically check our website (www.mpho.org/mhlc) and click on the Practice Improvement Series link for additional information and updates on these conferences and other services offered by the MaineHealth Learning Community.
