

2010 PRISM SERIES

The MaineHealth Learning Community would like to introduce you to our 2010 PRISM series! This series is based on the Institute for Healthcare Improvement's (IHI) Triple Aim concept which optimizes the three dimensions of Population Health, Patient Experience and Cost and Efficiency to improve the healthcare experience.

- **POPULATION HEALTH [1.21.10]** participants will learn how to advocate positive health behaviors, and how to design and execute strategic initiatives related to population health.
- **PATIENT EXPERIENCE [5.20.10]** participants will review the principles of individual and family-centered care and how to improve the overall patient experience.
- **COST & EFFICIENCY [9.16.10]** participants will learn techniques to minimize the cost of care.

POPULATION HEALTH Highlights:

Keynote: Population Health Strategies for Primary Care

Bonnie Zell, MD, MPH, Sr. Director – Population Health, National Quality Forum, Washington, DC
